## Roles and Responsibilities of LPS staff, parents/carers & students

---

*The **Australian Student Wellbeing Framework** identifies the importance of staff, students, and families cultivating a shared understanding of positive behaviour and how this supports effective teaching and learning. We each have a role to play in ensuring that our school is a safe, positive, and inclusive environment. This involves addressing behaviours of concern when they occur and supporting those involved and affected by these behaviours.*

### Department staff:

- Model and promote behaviour that value diversity, demonstrates respect for and inclusion of all children and young people, and promotes a positive school climate.
- Explicitly teach students about safe and inclusive behaviours, and the core values of the school (school norms).
- Support the participation of all students, taking measures to support the inclusion of students who are at higher risk of exclusionary responses to their behaviours (including children in care and children with disabilities).
- Work with parents, caregivers, families, service providers and the community to support students affected by behaviours of concern.
- Provide timely intervention in response to behaviours of concern
- Provide visible, consistent and planned responses to behaviours of concern to foster trust and confidence.
- Support students to be physically and psychologically safe.

### Parents and Families:

- Model and promote safe, respectful and inclusive relationships with their own children, students, other parents/caregivers, and school staff.
- Support their children to develop safe behaviours at home.
- Talk to their children about behaviour including unsafe behaviours to help them to understand what it is, why it is harmful and how to respond.
- Work collaboratively with the school to resolve concerns about behaviour when the incidents occur, in accordance with the school's procedures.
- Consider recommendations and engage in specialist support through student support services and external organisations.

### Students:

- Follow the school norms
- Treat others in a way that demonstrates respect and inclusiveness.
- Ensure their verbal, physical and online interactions are safe, respectful and inclusive.
- Take a stand when they see behaviours of concern in person or online, by safely intervening or seeking help from adults to intervene.
- Support their friends to behave in safe, respectful and inclusive way if their friends are engaging in behaviours of concern, including by seeking help from trusted adults.
