

AUTHORISATION FOR TRANSPORTATION OF CHILDREN IN EDUCATION AND CARE SERVICES

(Note: this form is to be used when principals permit preschool children to travel on a department school bus service)
Requirements in this document must not be altered. Please use block letters when filling out this form

The Education and Care Services National Regulations state that authorisation for a child to be transported must be given by a parent or other person named in the child's enrolment record as having authority, given by a parent, to authorise transportation of a child. The early childhood service MUST ensure that a child being educated and cared for by the service is not transported outside the education and care service premises unless written authorisation has been given. See the [Acceptance and refusal of authorisations policy](#) for the definition of parent.

Written authorisation MUST be given each time a child is transported unless the authorisation is for 'regular transportation'. Regular transportation means the transportation by the service or arranged by the service (other than as part of an excursion) where the relevant circumstances are substantially the same for each occasion. In this case a written authorisation is only required to be completed at least once in a 12-month period.

Note: for excursions the 'ED170 Consent form for camp, excursion, sporting or adventure activity' should be used.

Agreement:

- I agree to delegate my authority to supervising educators. Such educators may take whatever disciplinary action they deem necessary to ensure the safety, well-being and successful conduct of the children as a group and individually. Note for preschool children traveling on a school bus, the driver is responsible for ensuring the safety of children in lieu of an educator.
- In the event of an accident or illness and contact with me being impracticable or impossible, I authorise the educator-in-charge to arrange whatever medical or surgical treatment a registered medical practitioner considers necessary. I will pay all medical and dental expenses incurred on behalf of my child. I understand that I may seek payment of any ambulance invoice by the department if my child does not have private ambulance cover. Note: for preschool children travelling on a school bus, the bus driver will follow the school's emergency management plan outlined in the risk assessment.
- Where appropriate I have also attached additional or updated health care information, including details of any additional health support he/she requires to undertake the above activities safely.
- The information given is accurate to the best of my knowledge.
- I acknowledge that a risk management form, and the safe transportation of children policy and procedures or school transport policy (for preschool children travelling on a school bus) are available upon request for my inspection at the site.
